12-20  
5-22  
9-23

So we ex-pect you come to us and ren-der

all that is due, since we would face de-ni-al,

put-ting to death im-pos-ters at a tri-al,

ful-filled, those words a-bout the way to die,

be 'lift-ed up' to fo-cus ev-ery eye.

3. First-ly, Pi-late, from Jes-us, start-ed learn-ing

12-20  
5-22

ful-ly how priests with hat-red could be burn-ing,

'Yours are the toughs I heard that are main-tain-ing

king you have claimed to be and say you're reign-ing.

If world-ly king-doms were the goal I sought,

my faith-ful serv-ants would have stayed and fought.

P. 3/12 John 18 Chris Nelson 2018

4. Truly mine's not a realm of civ-il or-der,

not one of law or par-ti-san or bor-der.

Yet was I born for pur-pos-es far-reach-ing,

truth from a-bove made lu-cid in my teach-ing.

Such sheep who re-cog-nize my ac-cent well

I'm call-ing ev-ery one by name can tell.

5. How is truth going to fo-cus my at-ten-tion?

Out, once a-gain, 'This case is your in-ven-tion!

I could re-lease a hos-tage at your plea-sure,

one you'd pre-fer, a king that you could trea-sure.'

"Not Jes-us, her-ald of a twist-ed fate -

"Bar-ab-bas, ri-ot-er we'd love to hate!"

T. Not so sure, Pi-late nosed for a po-si-tion.

Watch while I put this case a-bove sus-pi-cion.

"Here is the man," so no-ta-ble and wear-ing

crown and re-ga-lia, ev-ery sor-row bear-ing.

As Pi-late of-fered up that dar-ing text,

they shout-ed, "Cru-ci-fy the cul-prit next!"

8. Deal with this by your-selves as you de-si-re,

I can-not find one thing that I re-qui-re.

"We have a law that calls for con-dem-na-tion,  
death for a stat-ed Son-of-God-re-la-tion."

Then Pi-late lis-tened with a fear-ful mind,

who court-ed fail-ure as re-prieve de-clined.

9. Let me know who you are and what you're choos-ing.

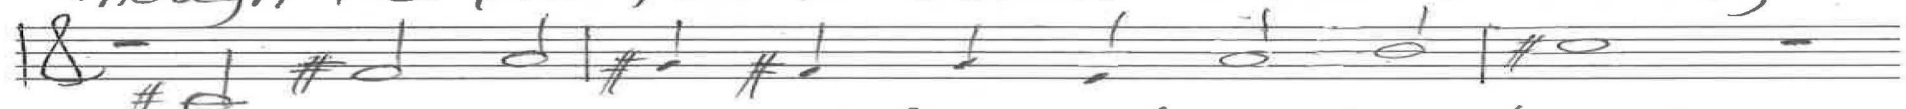

Give me your an-swer, do not be re-fus-ing,

lest it's your life that I would be a-bus-ing,

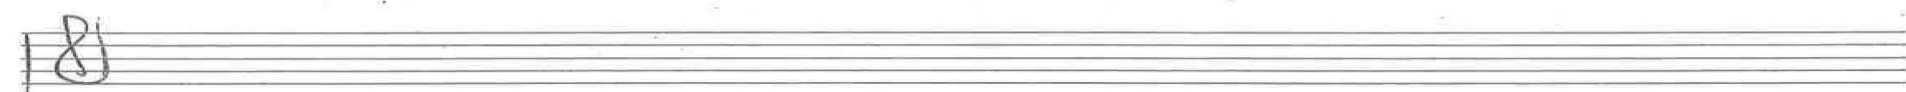

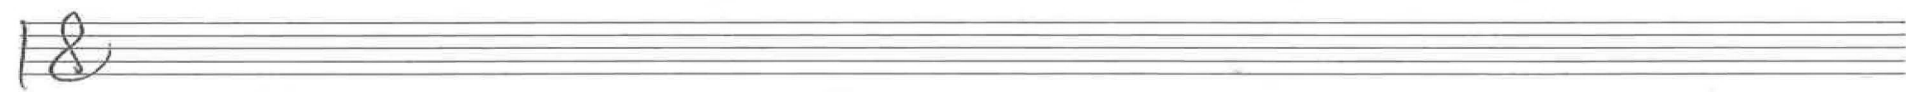

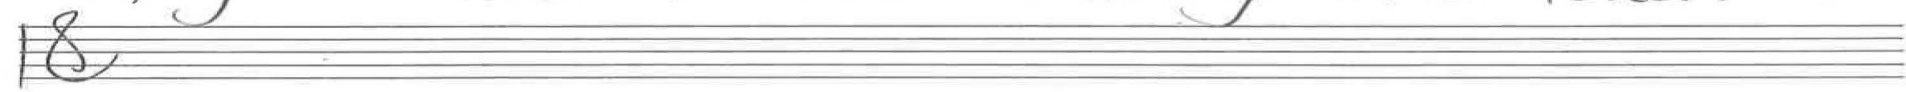

though I'd pre-fer in-stead to be ex-cus-ing.

Your pow-er were you from a-bove be-stowed,

of guilt these oth-ers have the greater load.

10. An-xious, set for a-void-ing ex-e-cu-tion,

12-20  
5-22

Pi-late re-ceived one fur-ther con-vo-lu-tion.

"Friends of the Cae-sar can't be caught de-fy-ing

laws that were made for kings that come ap-ply-ing."

The fin-al op-tion was the judg-ment chair,

the spot to fin-ish off the whole af-fair.

11. Sure-ly think-ing the gov-er-nor a plea-ser,  
12-20  
5-22

they were to have "no king ex-cept the Cae-sar."

So in the end our Lord was made to car-ry

quite all a-lone a cross that wouldn't tar-ry.

the place called Skull for those they cru-ci-fied

with two more vic-tims, one on eith-er side.

12. Here's the rub of this in-famous re-ci-tal.

Fixed on the cross was Pi-late's king-ly ti-tle.

Those who were He-brew, con-scienc-es be-smit-ten,

choked on the 'What I've writ-ten, I have writ-ten,'

this no-tice, read by man-y pas-sers-by,

that Je-sus real-ly was the Lord Most High.
