Intonation

1. Since this cit-y re-fused what I am send-ing:

Pool of Shi-lo-ah, in-no-cent-ly wend-ing

right on through in tran-quil-i-ty,

and to a for-foreign pow-er bent the knee,

so will the Riv-er's flood be com-man-deered

up a-gainst the do-main you cleared.

2. With such force, all these might-ty crash-ing wa-ters,

aimed to in-un-date Ju-dah's sons and daugh-ters,

crest their banks and es-cape their bed,

up to the neck so lim-it-less to spread,

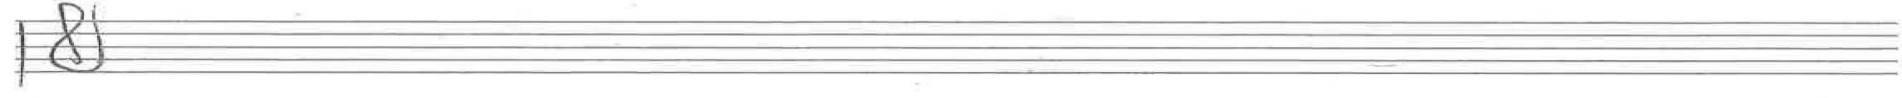

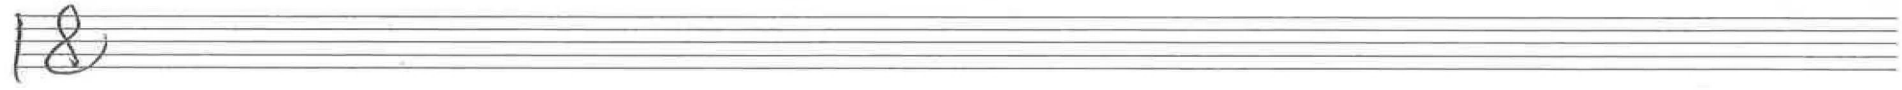

wings to con-veal and shade the 'in-fi-del' -

all of you, O Im-man-u-el.
