1. Lo, a sci-on shoots up from Jes-se's roots,

sprouts with know-ledge and breath we un-der-stand.

judg-es peo-ples by see-ing eye to eye,

done in right-eous-ness, so the poor to bless,

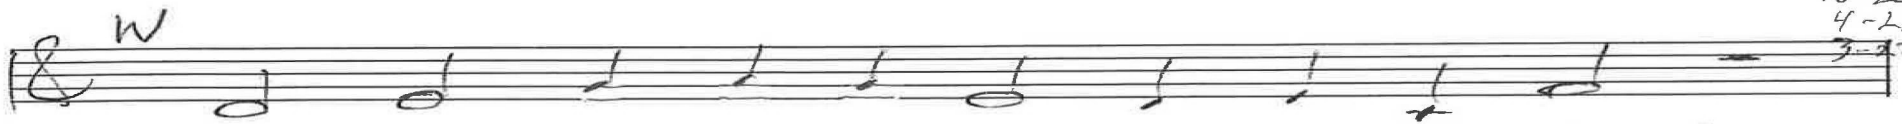

an bru-tal-i-ty speaks to them that be,

belt of pow-er per-suad-ing those that were.

10-20  
4-21  
3-22

2. Fox and jack-al lie down with mut-ton nigh.

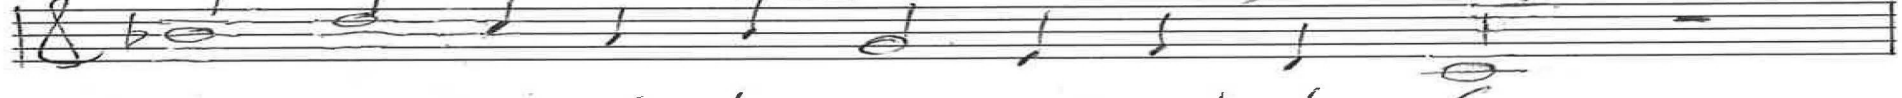

Leo-pards real-ly give way so kids may live,

fat-lings hap-py to hear the pan-ther mew,

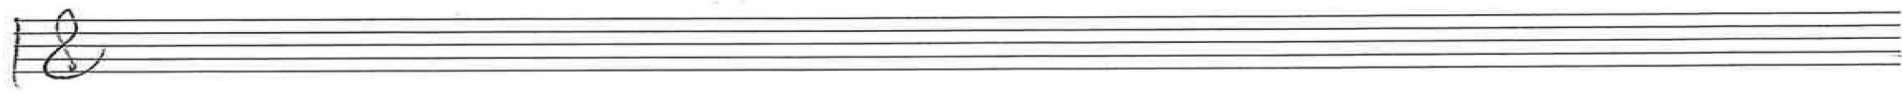

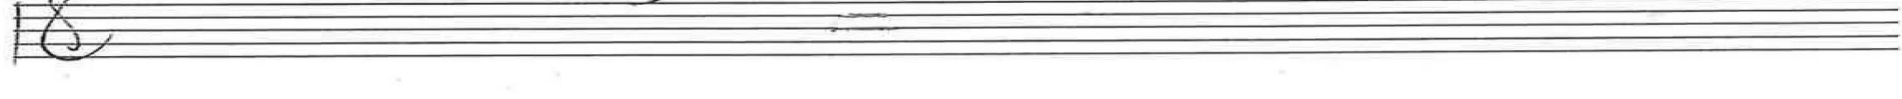

cow and bear to make friends they won't for-sake,

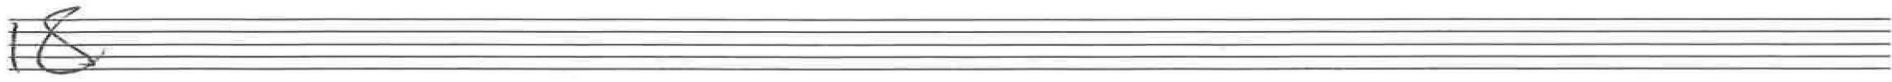

those up in the tree year-ning to be free,

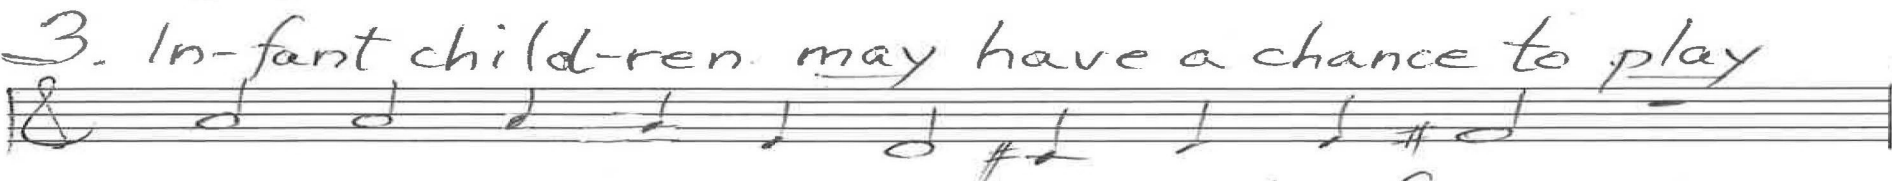

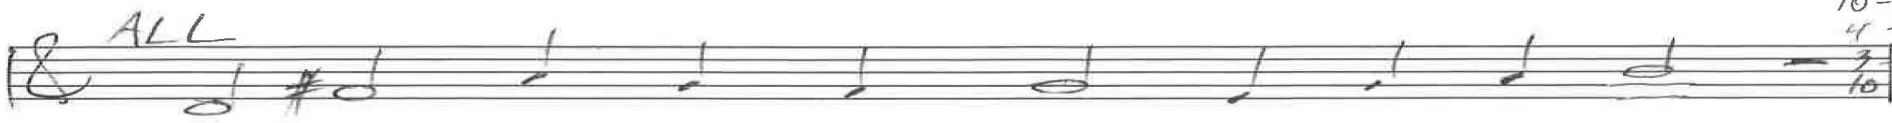

li-ons feed-ing on hay be-fore it's gone.

4-21  
3-22  
10-23

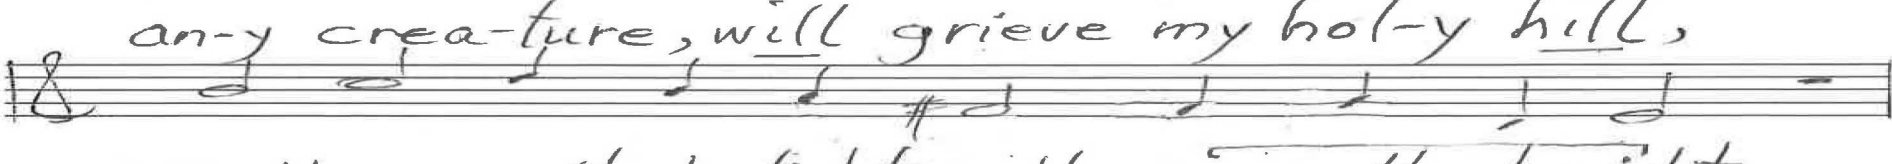

3. In-fant child-ren may have a chance to play

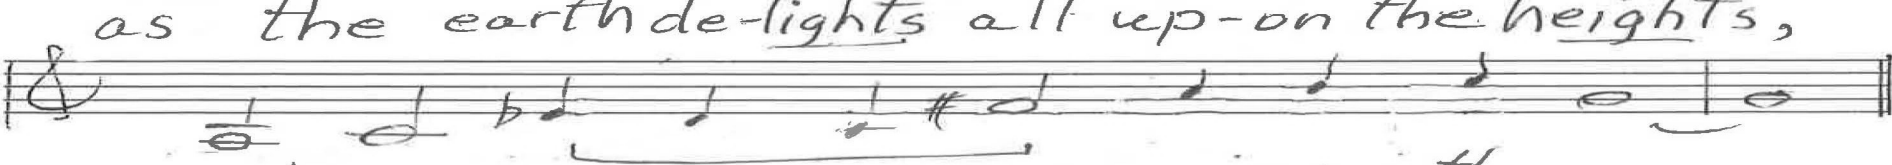

with the vi-per no long-er just a foe.

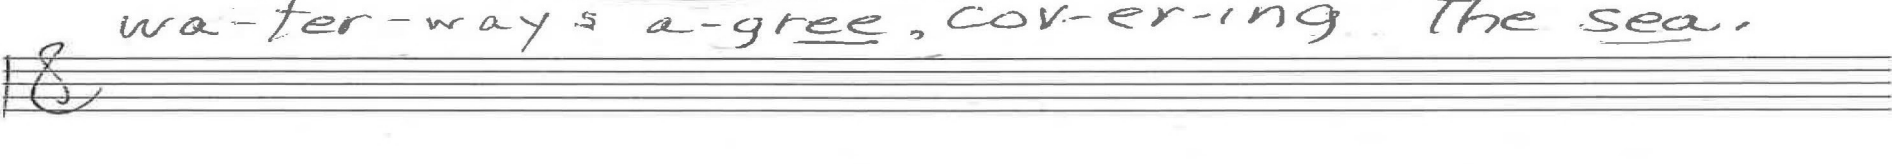

Noth-ing, hith-er to harm, that could sub-due

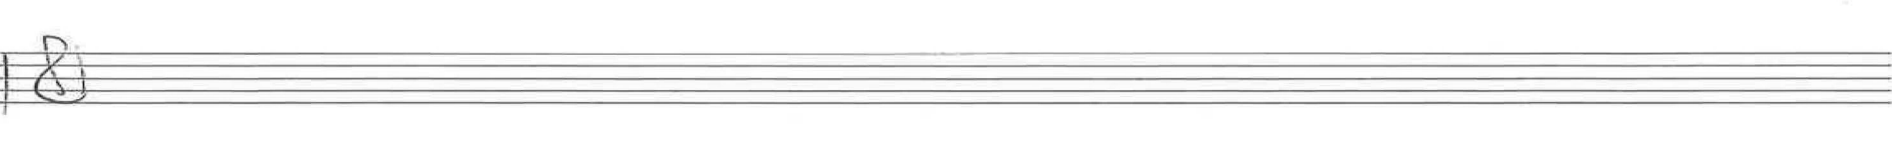

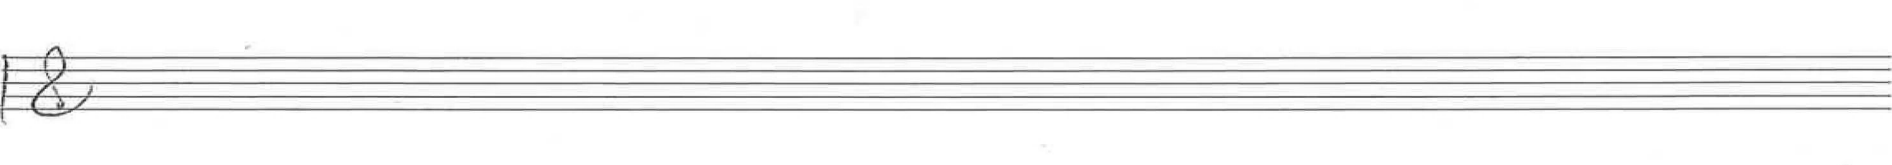

any crea-ture, will grieve my hol-y hill,

as the earth de-lights all up-on the heights,

wa-ter-ways a-gree, cov-er-ing the sea.
